# A Country House,

And about 200 acres of Land, within 3 miles of Alexandria, will be sold by the subscriber. The house was formerly occupied by himself, and is about one third of a mile from his present dwelling. The situation is high and remarkably healthy. The house has 4 rooms, and a kitchen and pantry, on the lower floor, and four chambers with five places in the 2d story. It was well built under the superintendance of Mr. Lovering, a respectable English architect, and would make a comfortable summer retreat for a genteel tamily, or might be made a valuable Tavern by opening a road through the land. About one half of the land is in wood; the residue is capable of being made handsome grounds. There is a good well and

pump in the yard; and there are several low for either of the above ports. good springs on the land. The terms of payment will be one fifth in four months; the residue in four equal annual payments with interest; one half secured by notes well endorsed, and the whole by a deed of trust on the land.

Possession may be had immediately. W. Cranch.

July 31

### Night School.

THE subscriber begs leave to inform the citizens, and his patrons in particular, that his Night School will commence on Monday evening the 23d in-N. B. Terms as heretofore.

Resolved, That should a recourse be should not be approved of by the general. At nine, he retires again to his libra-had to arms, to procure satisfaction for government. But we entertain too high ry, to study the interests of his country these injuries and insults, we will cheer an opinion of com. Paterson to believe that in the pages of history, or the laws of nanot the next fair day thereafter, in pur- fully incur the risk, and make the sacri- he will act otherwise than in pursuance of ture in the works of the sage. orders from Congress.

To Brigadier General Rufiniaco. The prospect before us imperiously alls upon the state of Louisiana, and articularly the city of New-Orleans, to nake preparations for war with Spain.

Much as you, and every good man in society, must regret the necessity, yet we ire obliged to acknowledge the fact presented to us; that an act of war has been committed on our navy, near our own shores, is certain, and the probability i that this is only the prologue to tragic cenes soon to follow. the total neglect of the governor and major general to rganize the militia, has induced me to address you, well knowing your military talents, both as an infantry and cavalry officer, the people of New Orleans would with alacrity march under your command.

The time has arrived, and your friends nok up to you, and I am well pursuaded hey will not be disappointed! Belt on four sword—call out your brigade to the enemies might say you are at heart a Spaniard; let me entreat you to deceive

### A Day in Richmond.

The Compiler has lately re-published pair of Portraits; one is the Picture of a Day spent in Madrid, the other of a Day in London .- Does it escape your at tention, that the same day in Richmond. These resolutions having been put to presents as different lights, according to he question one after the other, the six the disposition of different persons, as one position; but when the 7th was read -Let us try our hand, for instance, upon

The Day of a Bon Vivant.

ten to accompany Lieut. Cunningham's comes on—I take the rounds of my far report with an address to the President, companious—glide negligently from house soliciting a prompt satisfaction for the hostilities so cowardly committed, in full the weather, the adventures of the president.

his watch-house, I retire to my solitary Peter K. Wagner, appointed secreta made every one srug up his shoulders.

Although Mr. Livingston's arguments musuits, scarce one faculty with which had been approved of by the greatest part tool has endowed me, having been called having been briefly stated, the following resolutions were moved, and the prevail. The minds were exalted, and life itself—I retire to my couch to slam. Resolved. That the cowardly attack dopted by a majority of about twent; knewledge, not one faculty of the soul made by the Spanish squadron upon a votes (the whole about sixty in number.) usefully exerted—with scarce one en-

#### The Day of a Good Citizen.

At the first dawn of the morning, he

At seven he returns to his library, to

At twelve, he mounts his horse, for a short but animating excursion into the

At half after one, he resumes his liferary researches, reading, writing, or naking experiments on the laws of the

At three, he sits down to his frugal meal, to satisfy not tamper his appetite, convinced that a contented man can be sappy with a little, and that in a repubic it is the duty of a good citizen to discard all pompous luxuries—the cardinal maxim of his life, being, that a man must have a competency to be independent of he smiles or framms of others, and that all beyond that point, is likely to enervate and corrupt him.

The evening is given up to the pleasures of society, the charms of friendship, the delights of love, the energy of conversation, the discussion of every variety of topic, from light and gay, te serious and severe. The heart is refined by the communion of sentiment, the understanding exercised and improved. held-make your superiors blush for their On these occasions hints are struck out, neglect, the eyes of the public are on like sparks by the collision of the flint you, and unless you exert yourself, your and steel which furnish the themes of profound meditations and original essays. Thus the good citizen, who was in the morning a studious or an active heing, becomes in the evening a sociable

At night, a short period is again devoted to his books-And at nine, he retires to rest, contented with himself, and

with all about him. Such are the various occupations of men on the same day in the same city -Who will say that they are not at least a different from each other as a day in Madrid, and a day in London !

### Mr John Muir,
